

Adapter Model ADPT

Features

- A wide variety of thread
- Compact size
- Ideal for connecting mounts with measuring instrument
- Stainless steel body optional Brass and Monel
- NACE MR0175 / ISO 15156-2009 and MR0103-20100 compliance
- Oil free available

Applications

Industrial and Machine Tool
 Alternative Energy
 Off-Shore & Oil & Gas
 Construction and Transportation
 Hydraulic fluid and gas handling connections
 Factory/process automation

Permissible Pressure rating:
 6000psi @ 100°C
